

Well Babe Lyrics

Well babe, long time since you're here
Yeah babe, long time since you're here
Well it's been even longer since I was lying near

Well babe, hope he treats you right
Yeah babe, hope your he treats you right
'Cause if he don't love you, you know I think I might

Well babe, look at you and melt
Yeah babe, look at you and melt
Well I still got love for you you ain't never felt

Well babe what's that look in your eye
Yeah babe what's that look in your eye
If you weren't laughing at me darling I'd swear you're ready to cry

Well babe hope he treats you well
Yeah babe hope he treats you well
'Cause I know mistreating you sure can be some hell

Well babe it's been a long long time
Yeah babe such a long long time
Well it's been even longer since I could call you mine

Well babe how can you love another stronger
Yeah babe how can you love another stronger
Well I hope your new forever lasts just a little bit longer
